CLIENT EXPERIENCE MANAGER APPOINTMENT & LAUNCH OF 5TH GLOBAL INTIGER OFFICE

The directors of Intiger Group Limited (**IAM**) (**Intiger** or the **Company**) are pleased to announce the appointment of Miss Nina Tan BA, DipFP to the role of Client Experience Manager.

Miss Tan is an accomplished banking and finance professional with over 14 years of experience in wealth management within Australia, Singapore and the Philippines. She leaves her role at NAB Financial Planning to join Intiger in this key leadership role. Miss Tan will assist with the following tasks in respect to the Intiger business:

- Managing all new client onboarding processes and ensuring new client satisfaction through Project Management disciplines;
- Training delivery to all new clients during their onboarding process;
- First point of contact for all issues raised by existing clients; and
- Proactive communication with all existing clients to maintain and grow ongoing business support for Intiger.

Additionally, Intiger is pleased to announce that its aggressive expansion is reflected in the opening of a 5th global location, with the June launch of its Sydney, Australia office. Intiger's Sydney office will serve as the Company's flagship location and base for all Australian staff & client engagement.

The Sydney office will provide critical logistical and client engagement support to Intiger's processing platforms in Manila, Cebu, Tamil Nadu and Perth. Located in prestigious Darling Harbour, the office is ideally located to provide immediate access to Intiger's core client base located in the Sydney central business district.

Intiger Managing Director, Mark Fisher said: *"Nina's appointment highlights Intiger's privileged capacity to attract experienced industry experts to facilitate operational efficiencies & cost reduction for financial planners. The opening of our flagship Sydney office provides vital support to our ever-increasing Practice numbers, revenue, Licensees & Advisors across Australia. Intiger wants financial planners to spend more time with their clients and less time and money on back-office processing. These two important developments are critical milestones towards us achieving our goals."*

About Intiger Group Limited

The business of **Intiger Group Limited (ASX: IAM)**, was founded by experienced investment banking and financial services executive Mark Fisher and operates an Australian software development house dedicated to supporting professional Financial Planners to meet the needs of their clients. Intiger does this by reducing the back office and operational costs within the Australian financial planning industry. Working with Australian Financial Services Licensees and their advisers, the Intiger Group has developed and launched proprietary software platform LiLLY, which has been designed to digitise and automate core components of the financial planning process including the production of automated statements of advice. In conjunction with LiLLY, the Intiger Group has presented the online practice management system KLIP which tracks key performance indicators of a financial planning practice and delivers oversight and control to both licensors and financial planning practices nationally.
